Washington, DC – The DC Lottery has announced that a \$1,000,000 lottery ticket has been sold in the District of Columbia for the [Powerball](#) game held on September 14, 2016. The winning ticket was purchased at the Safeway located in the Capitol Hill neighborhood at 415 14th Street, SE. The winning number was 10-11-23-28-31; and the Powerball number was 14. The holder of the winning ticket matched the five winning numbers, not the Powerball number.

“People win prizes of all sizes with the DC Lottery!” exclaimed Tracey Cohen, interim executive director of the DC Lottery. “We just concluded The Big Payoff with more than \$1.4 million in cash giveaways, and now—when the winner comes forward—we will celebrate Washington’s newest millionaire!”

Players are always advised to sign the back of their tickets to declare ownership. The holder of the winning ticket is advised to contact the DC Lottery at 202-645-8000 to initiate their winning experience. Powerball players have 180 days from the close of the game to redeem winning tickets. Unclaimed wins are attributed to the agency’s Unclaimed Prize Fund which is used to support player-centered activities.

Known as “America’s Game,” Powerball is a \$2 multi-state lottery game played twice weekly on Wednesdays and Saturdays in 44 states, the District of Columbia, Puerto Rico, and the US Virgin Islands.
