## **Player Alert: DC Lottery Launches Website Refresh Effective September 4, 2018 New Look. Same Winning Experience.**

### **Winning Numbers**

We know that being able to quickly and easily view the latest winning numbers is important to our players. You can now view the latest winning numbers for all games on any page of the website by clicking on the Winning Numbers tab located in the header navigation. You can also access previous winning numbers by clicking on the View Past Winning Numbers links located at the bottom of the Winning Numbers tab.

### **Homepage**

Our players will find useful information about our games and promotions on the homepage of our website. There are direct links to new promotions, winners, Second Chance contests and the Players' Club, as well as links to our social pages and the DC Lottery Collect N' Win app.

### **Player Information**

We value our players' security and want to provide you with the resources to ensure you are playing the lottery in a fun and responsible way. In the new Player Information section of our website, you will find information on your rights as a player, FAQs, information on how to claim a prize, the draw schedule and draw videos.

### **Players' Club**

We love our Players' Club members! Which is why it was a priority to upgrade the Players' Club member section, so that is available on all devices. You can now access your account, view promotions and download your birthday coupon from your mobile phone.

We are sure that in the new website you will find all the information that you need. If you have anything you would like to send us your feedback about your experience with the website, please [contact us](#).
